I am a passionate programmer with a strong foundation in the MERN stack, Python, JavaScript, and both web and Android development. I have hands-on experience building RESTful APIs and enjoy solving complex technical problems. Currently pursuing an M.Tech in Computer Science, I actively engage in both academic and practical projects. I also explore 3D modeling as a creative outlet, blending my artistic interests with my technical skills.

Skills

Programming Languages: C, C++, JavaScript, Python, Dart, Java, PHP(Basic)

Web Development: HTML, CSS, React, Node.js, Express.js, TailwindCSS

Mobile Development: Flutter

Tools & Platforms: Git, GitHub, Postman, Blender3D

Backend Databases: MongoDB, MySQL, Firebase

Language Proficiencies: Assamese (Native), English, Hindi.
